

Biggest Big Ole Tomato in Pickens County Contest 2004

The tomato must be grown in Pickens County
(That's it!)

Over the course of eight weeks this summer, there will be a weekly winner announced at the Saturday Morning Farmers Market. Those winners will be listed below. The Pickens County Master Gardeners would like thank everyone who participated in the Biggest Big Ole Tomato in Pickens County contests. The contest has been a great success and lots of fun and we look forward to this summer's competition starting the first Saturday following July 4th.

Congratulations to the 2004 Big Tomato and Longest Squash winners! Brothers Ben and Billy Evans won back in mid-July and nobody else in Pickens County was able to top their super vegetables! Ben's Big Zack tomato weighed 3.95 lbs and Billy's banana squash was an amazing 28 inches long. For their efforts, the men each received a trophy and a container of fertilizer. Thanks to all who came out to participate in the 2004 contests!
