

Jasper Farmers' Market Planning Meeting

By Jenny Fellenbaum

Have seed catalogues in you mailbox got you yearning for spring? Ready to start planting, painting, crafting and building? Well, it's time to start planning the 2010 season of the Jasper Farmers' Market.

Anyone interested is invited to attend our annual meeting. Dates and time will be set for the 2010 season and any issues pertaining to the market will be discussed. The meeting will be held in the Commissioner's Meeting Room at the Pickens County Administration Building on Saturday, January 16th at 9 am.

We're looking forward to another successful year. We had an amazing increase in vendors, from 128 vendors in 2008 to 200 vendors in 2009. 117 of which were new vendors to the market!
