I am at the market almost every Saturday all season and have variety of houses for sale including Owl Houses, Bird Feeders, Bat Houses and Wood Duck Houses all made from Cedar. I also have Hillybilly Dustpans and other woodwork. I build custom houses and can use a license plate you supply for a roof. Your custom order can be picked up at the Farmers Market or at my Shop.

My bird houses have gone all over the country; as far west as California; as far north as Vermont and as far south as Florida and many places in between.

I started building birdhouses after open heart surgery in 2002. My wife Shela helps me in the booth.

**Great Gifts for Christmas, Birthdays, Mother and Fathers Day, House Warming and many other occasions. Call for a special custom gift.**
